VIENNA

CHILDREN'S UNIVERSITY

KINDERUNI WIEN

VIENNA CHILDREN'S UNIVERSITY IS ORGANISED AND COORDINATED BY THE VIENNA UNIVERSITY CHILDREN'S OFFICE. MOTTO: „WE'LL TURN UNIVERSITY UPSIDE DOWN!“

In 2003 Vienna Children's University opened the gates of the university the first time for children. That's Vienna Children's University today:

- ▶ 2 weeks in summer, 3.500 children aged between 7 and 12, 4 locations, 400 lectures, 500 researchers, 100 helpers
- ▶ Partners: University of Vienna, Medical University of Vienna, Vienna University of Technology and University of Natural Resources and Applied Sciences Vienna
- ▶ Wide range of scientific fields (Humanities, Social and Cultural Sciences, Life Science, Technical Sciences, ...)
- ▶ Personal contact with researchers in workshops (up to 20 kids), seminars (up to 50) and lectures (up to 600)
- ▶ Experience university (student ID, cafeteria, laboratories, lecture halls, degree ceremony)
- ▶ Free of charge

CHILDREN'S UNIVERSITY ON TOUR

KINDERUNI ON TOUR

CHILDREN'S UNIVERSITY ON TOUR IS ORGANISED BY THE
VIENNA UNIVERSITY CHILDREN'S OFFICE.
MOTTO: „DO RESEARCH! – ASK! – BE AMAZED! EXPERIENCE SCIENCE!“

Children's University on Tour is a widening participation project for children in public spaces in Vienna with the aim to engage them with science and humanities in their immediate environment:

- ▶ Launched 2007, 1.000 participants in 2008
- ▶ 2 weeks-tour in summer, half-day stops in various public places in the suburbs (e.g. parks)
- ▶ Target group aged between 7 and 12; particularly children from periphery and underperforming groups that haven't had any contact with science yet
- ▶ Hands on experiments, comic-strips for explanation, „mobile auditorium“ and info point
- ▶ Close cooperation with youth workers/youth centres
- ▶ Free of charge

SCIENCE

SCIENCE YOUTH CLUB

WISSENSCHAFTSCLUB
FÜR JUGENDLICHE

THE SCIENCE YOUTH CLUB IS ORGANISED BY
THE VIENNA UNIVERSITY CHILDREN 'S OFFICE.

The Science Club for youths started 2008 and provides an opportunity to socialise with people engaged in science and humanities in a relaxed atmosphere.

- ▶ Target group: teenagers aged between 13 and 16
- ▶ Regular club meetings, seminars and discussions with scientists
- ▶ Buddy mentoring system with students to get a taste of studying and university daily routine
- ▶ Web based social network for interacting with other youths sharing their interest in science
- ▶ Focus on current issues of research and a wide range of scientific fields
- ▶ Free of charge
